

# Volunteer Opportunities

## Committees

### Family Support

Family support assists the partner family with education on home ownership, answers questions, and provides general support/guidance.

### Family Selection

Family Selection collects and reviews applications in order to make recommendations to the board of directors about which family to select.

### Fund Development

Fund Development sets up fund raisers, writes grant proposals, and acquires in kind donations.

### Public Relations

Public Relations works on the newsletter, setting up speakers, and marketing efforts.

### Volunteer

The Volunteer Committee works to recruit, recognize, train, and retain volunteers.

### Restore

The Restore Committee works with the restore manager on all aspects of the Restore.

### Site Selection

The Site Selection Committee works to find suitable lots and houses to renovate.

### Building

The Building Committee plans every aspect of constructing the house.

### Church Relations

Church Relations works with local churches to build and maintain relationships with Habitat.

## One Time Opportunities

### Meals and Lunches

You can prepare a meal or lunch for the construction crew or for a special event.

### Special Events

Special Events can include fund raising, manning a booth at a fair, and helping build the playhouse or make a quilt.

### Signs

You can assist us with making a sign for our office building or our building site.

### House Piece Sponsor Project

This project is done in the spring time. It consists of going to businesses and asking if they would like to sponsor a piece of our next house.

## Construction Time

### Regular Construction Crew

This crew works weekdays from eight in the morning to noon.

### Part Time Construction Crew

This crew works mainly on evenings and weekends. If you want to build but not every weekday this is for you.

### Site Host

The site host ensures that all of the appropriate paperwork is filled out and answers non construction related questions.

## Office Opportunities

### Secretarial

We are looking for some one to come in one every two weeks to assist with making copies, answering the phone, and filing.

### Office Cleaning

We are looking for some one to come in once a month and do a through cleaning of our office.

## Bulk Mailings

We send out a newsletter every three months. We are looking for some people to assist in preparing the newsletter for the mail.

## Calling

We are looking for someone to call volunteers to keep in touch and give volunteer updates.

## On call Opportunities

### Speaker for Habitat

The Speaker for Habitat would go out and speak on behalf of Habitat for Humanity at churches, businesses, and organizations.

### Restore Pick up Driver

The Restore Pick up Driver assists the Restore Manager in picking up donated items and bringing them to the restore.

## Ongoing Opportunities

### Recycling Project

The recycling project works to pick up cans at drop off bins and bring them to the restore.

### Restore Volunteer

You can assist with sales, cleaning, accepting donations, and rearranging items.
